WHY KEEP RECORDS?

Properly kept records will give you a clear picture of what you have done in your horse project.

GOOD RECORDS WILL:

- Help you learn about your horse, the time, care and food they require.
- Help you plan future projects.
- Give you a record of your project activities.
- Keep this record book as part of your Member's Personal 4-H Record, # 1192, which documents your 4-H projects and activities. This information is helpful if you ever apply for 4-H awards or a 4-H scholarship.
